ATLANTIC CITY, N.J.

(AP) - While two-thirds of the country now offers legal sports betting, only six states offer online casino gambling, confounding industry hopes that the rapid growth of sports betting would also bring internet casino wagering along with it.

"You have to scratch your head as to why.

He said in his state, it takes three months of sports betting revenue to match a single month of online casino revenue.

Fluharty said about 65% of the country is governed by Republican-controlled state legislatures, a group he said is less likely to favor gambling at all, let alone expanding it.

Other possibilities include Iowa or Illinois, they said.

It was updated on April 20, 2023, to correct the title of Siobhan Lane of Light & Wonder.
