The increasing popularity of internet gambling has led to a surge in new online casinos in recent years.

At Casino Guru, we regularly update our database with the latest entries into the market, and you can see a list of those available in your country on this page.

They often have great welcoming offers for new players in a bid to create a positive reputation and build a customer base.

To alert our customers to a new entry on our list, we give the latest sites a 'Fresh' rating.

A new casino's rating will give you an instant idea of what to expect from it, but you can also use this page's filters to identify the best casino according to your preferences.

'Recently opened' will give you the very latest additions to the online

casino market, while 'Recommended' puts the best of the new casinos, according to our experts, at the top of the list.

The 'Currency' filter will sort these sites out depending on the types of money they accept, including the Euro and US dollar.

Alternatively, you can also check out list of new casinos on LCB.
