Beware: If you participate in online fantasy sports betting, there may be tax implications related to these activities.

Gambling winnings are considered taxable income for federal tax purposes. However, the \$5,000 excess loss can't be deducted in 2021 or carried forward.

Out-of-pocket gambling-related expenses - such as transportation, meals and lodging - don't count as gambling losses and can't be written off. The Tax Cuts and Jobs Act suspended miscellaneous expense deductions from 2018 through 2025.

Different federal tax rules apply to professional gamblers than amateurs.

The manner in which you carry on the activity,

Your financial status, and
